Dear Mrs. Manley:

The game at Belmar tomorrow will be an exhibition game.

As I explained to you when I saw you in Chicago they are going to try this late Saturday afternoon baseball in Belmar and if it works out satisfactorily that we may be able to work in some other dates. They are naturally cutting down as much of the expenses as possible and have already received the consent of two local officials who have agreed to umpire the game free of charge. They don't want to go to any additional expense to pay umpires.

Very truly yours,

W. A. Leuschner

WAL:VJ

P.S. The above letter was written before I spoke to you on the telephone. I should have a definite answer tomorrow morning.

According to the schedule the Eagles are open on July 11th. Would you be interested in accepting a game at the State Hospital in Kings Park, L.I. for a guarantee of \$100.00 Rain Guarantee \$25. These are the same terms as you accepted before. Please let me know about this at once. You might also send me your schedule of open dates.
